Minutes of the Trade Facilitation Committee Meeting held on 13.06.2018
in the Board Room, Custom House, Kolkata.

The Trade Facilitation Committee Meeting was held in the Board Room of Custom House, Kolkata on 13.06.2018 at 04.00 P.M. The meeting was presided over by the Commissioner of Customs (Port), Kolkata.

The Chairman welcomed all the members.

Following issues were discussed in the meeting –

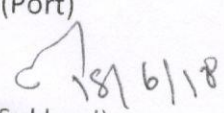

1. Representative of CCHAA raised the following points.
 - i) It is requested that S.O 11/2008 may include that to re-call a Bill of Entry, prior approval of ADC/JC is not required in cases where any discrepancy is detected by importer himself. No other Bill of Entry should be recalled or returned from the port, without the prior permission of ADC/JC.
 - ii) It was observed that examination order is being given in export Shipping Bills which are routed through the Group. It is suggested that this should not be the practice since examination order is automatically generated at the time of registration.
 - iii) CFS operator moves the import cargo from Dock to CFS for onward delivery to importer. However, for export cargo, CHA or their principal need to visit dock for formalities although responsibility is more on CFS operator. It is suggested that the same process as imports should be followed /adopted.

Response/Decision:

- i) Commissioner informed that issue would be decided after internal discussions.
- ii) RMS instructions are to be followed in all cases. However, in some cases Group may order for examination/inspection on the basis of their analysis/alerts. The Dock/Shed officer may also order for such examination/ inspection on the basis of local intelligence. [Action : AC-Export, Docks, CFS]
- iii) It ~~was~~ decided that ASIC, CCHAA and others concerned will meet for discussions on this issue.

This issues with the approval of the Commissioner of Customs (Port)
